

**Cota Cole & Associates reorganizes under moniker
Cota Cole LLP; Derek Cole becomes partner**

August 6, 2010

It is our pleasure to announce the formation of "Cota Cole LLP," a limited liability partnership that replaces "Cota Cole & Associates," the sole proprietorship under which our firm previously existed. Thanks to lasting relationships with our clients, our firm has grown from two attorneys to eleven in three short years. The formation of this partnership represents the next exciting step in our firm's success and growth since its founding in January 2007.

Although our firm name and organization have changed, our commitment to client service has not. We will continue to provide the timely, accurate, and responsive service that is the hallmark of our firm.

We thank our clients for their continued support and look forward to lasting relationships with each and every client through the newly formed partnership.
